

# LATISTA

Software name	LATISTA Field
Software version	4.5.9
Consumption	Software imports Building, Floor, Space and Contact information from COBie design file in xls format.
Production	Software produces a complete set of QA/QC inspection reports and list of captured issues as part of documentation handover. The data is exported into a zip-archive that contains a COBie-formatted xls-file Document and Issue tabs updated according exported documents.
Contact Information	Phone: +1 (703) 391-1070, E-mail: <a href="mailto:info@latista.com">info@latista.com</a>
